

Nurturing Faithful Families

Sanbornton
Congregational Church
United Church of Christ

One important way the church can support parents and families is to provide tools for them to make it easier for them to share their own faith with their children. For the summer months we will be sending by email, bible stories and activities for your children and youth to explore and experience God's love. I would love to have the children share with me any of the things they do! Send me a photo or a video.

Jesus said: "Just as God has loved me, I have loved you. Now remain in my love. I have told you this so that you will have the same joy that I have. I also want your joy to be complete. Here is my command to you: Love one another, just as I have loved you.
